

# 2<sup>nd</sup> Grade News

Mrs. Rabb Friday, January 17, 2020

---

## ***This week in 2<sup>nd</sup> Grade...***

In Religion we learned about Jesus' baptism and Jesus calling his disciples. During Reading we made connections to our own lives while reading our story, analyzed problems and solutions within the story, worked with subjects and predicates, and practiced putting story words in alphabetical order. During Phonics and Language we learned about possessive nouns and we differentiated between plural and possessive nouns. We also worked with compound words, reviewed common versus proper nouns, and we learned about abbreviations for personal titles. During Math we concluded our chapter on three-digit addition, and we began working with money. During Science we learned about nails versus screws, and we explored the benefits of using screws as a simple machine. During History we located the rest of the New England Colonies on a map, we learned about life in New England, and we explored the education system in the New England Colonies.

| 4. peach | 9. coach | 14. sandwich |  |
| 5. much  | 10. who  | 15. cheese   |  |

\*Students should practice spelling words at home so they are ready to test Friday.

---

**Memory Work:** Rejoice always, pray without ceasing, give thanks in all circumstances.

1 Thessalonians 5:16-17

Let the children come to Me; do not hinder them, for to such belongs the kingdom of God.

Mark 10:14

\*Students should practice memory work at home so they are ready to say it by Friday.

---

**Reading/Vocabulary:** We will be reading the story "Rent a Llama." There will be a vocabulary quiz and a reading test Friday.

**Vocabulary:** abuelo, care, raise, ranch, squint, stall

---

**AR (Accelerated Reader):** Students should be encouraged to read for AR! In 2<sup>nd</sup> grade, AR medals are awarded when a student reaches 15, 25, 40, 60, 80 and 100 points. Students may take AR tests throughout the week as they are ready.

***My child's AR Progress:*** \_\_\_\_\_ *points*
