

2nd Grade News

Mrs. Rabb Friday, March 6, 2020

This week in 2nd Grade...

In Religion we learned about Jesus visiting Mary and Martha, and the Widow's Mite. During Reading we connected our story to our math lessons on fractions, and we discussed the importance of sharing. We identified main ideas and details within the story, worked with "r" blends, reviewed synonyms and antonyms, and learned about thesauruses. During Phonics and Language we reviewed prefixes, suffixes, synonyms, antonyms, and other past lesson concepts. During Math we connected our lessons on fractions to our reading story this week. We compared fractions and applied fractions to parts of a set of objects. During Science we learned about why objects appear to be certain colors, and we concluded our unit on sound and light. During History we learned about farming, plantations, and slaves in the Southern Colonies.
