Spring Craft Ideas

Coffee Filter Butterfly

Using washable markers, color a coffee filter with different colors. Dip a paint brush into water and wash over the colored coffee filter. When dry, lay the coffee filter flat, gather the filter in the middle and secure with a clothespin or a pipe cleaner.

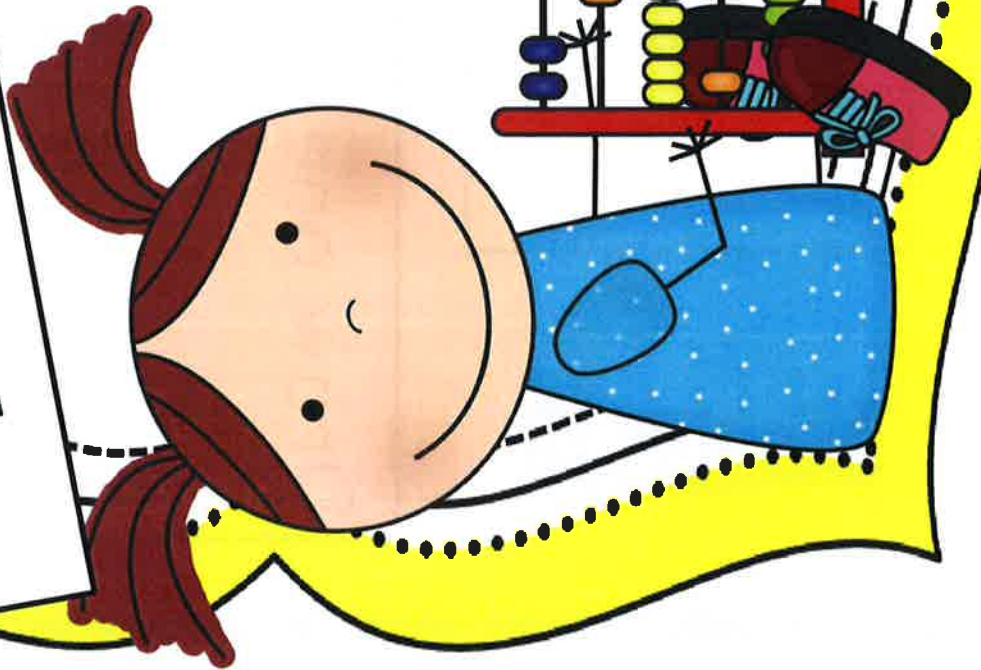

Cupcake Liner Flowers

Glue several cupcake liners onto paper. Draw or glue paper stems and leaves. Use sequins, pom poms, cotton balls, crayon shavings, sprinkles, glitter, confetti or anything else you'd like, to decorate the inside of the cupcake liners!
