## What We Learned

Religion: We learned about King David's son, Solomon who was chosen by God to build the holy temple.

Reading ELA: In our nature unit we learned this week about Trees, how many different kinds there are, and all about their growth cycle.

Math: We continue to work on borrowing with regrouping. This is definitely a challenge for some students.

History: We learned about the Pilgrims journey on The Mayflower, why they left England, and how Squanto taught them how to fish and plant crops to survive .
