## Notes from Mrs. Fritsche!

We have had a great first full week of school! The students have impressed me so much by being so independent on Seesaw already! Please review the number songs with your child at home. Please have your child show you what he/she knows each day/week! Ask your child to tell you the animal actions for each letter sound that we practiced this week. The students learned them so quickly!! I am so proud of everything the class has learned already!
