Notes from Mrs. Fritsche!

Please ask your child to sing the number songs for you!! We also learn a song with each alphabet letter. Please ask your child to sing the songs each week for you!! We have started teaching math and letters/phonics in smaller group settings. This has really benefitted the students! Mrs. Sleeper (our morning aide and licensed teacher) is teaching math while Mrs. Fritsche teaches letters/reading. Next week, we will also do this for science (Mrs. Sleeper) and social studies (Mrs. Fritsche).
