Notes from Mrs. Fritsche

- What does a Now and Later teach us about prayer? Pray Now and God will answer you Later! This taught us that God answers our prayers in many ways. He may show the answers of yes, no, or wait throughout our lives. We always know that God is with us through prayer!
- Thank you for working with your child over the weird weeks we had on AR, your address, letters, numbers, sight words, etc. The students are so close to completing their snowmen!!
